BY JOHN F. BOSWORTH. The Union of the South for the sale of the South

CANTON, MISSISSIPPI: ----

Saturday Morning, October 26, 1861.

The Elections.

GTH DAY OF NOVEMBER.

..... FOR PRESIDENT, JEFFIRSON DAVIS. OF MISSISSIPPI.

FOR VICE PRESIDENT, ALEXANDER H. STEPHENS.

OF GEORGIA.

STATE ELECTORAL TICKET. J. F. SIMMONS. D. C. GLENN, JEFF. WILSON, ED. P. JONES R. S. HUDSON, JAMES DRANE,

E. M. YERGER.

FOR CONGRESS-5th District. We are authorized to announce

Hon. O. R. Singleton,

P. S. CATCHINGS.

T. C. TUPPER,

Yazoo. Election, 6th day of November.

#### For State Senator.

We are authorized to announce O. LUCKETT, Sen., E-q., as a candidate for and Wollenhaupt, to notice only a few, and Senator from the counties of Madison and it is hard to select any one among so many Scott, in the Legislature of Mississippi, to fill pieces exquisitely composed and well execut- [Special Correspondence of the Picayone.] the vacancy occusioned by the resignation of ed. It made us think of a great many things

#### Public Speaking.

The Hon. J. A. P. CAMPBELL, candidate for Congress in this district, will adand places, viz:

At Canton, on Monday October, At Vernon, on Tuesday
At Concord Church, on Wednesday, At Sharon, on Thursday,

At Sulphur Springs, on Friday Nov. At Camden, on Saturday The people are respectfully solicited to

attend these appointments. Oct. 26, '61-1t.

as the representative of Hon. O. R. Singleton, pler and sweeter than we ever heard it. meet the Hon. J. A. P. Campbell at his appointments in this county, as published above.

Cul. Singleton being absent at the head of his could divide Mr. Singleton and Mr. Campbell. They were both Democrats and both original Secossionists, and are now both in favor of sustaining the Government by every means in our power.

# Address of Hon. O. R. Singleton.

We find in the Commonwealth of vesterday, a short address from the Hon. O. R. Singleton to the voters of the Fifth Congressional

Col. Singleton adheres to his determination to be a candidate for Congress, and solicits the support of his friends.

to our columns this week. It will appear in

#### -10× Another Glorious Victory.

sory that I have the largest and finest inanofactured in a Southern Foundry, always assortment of Pianofortes ever brought to the on hand State of Mississippi. I keep on hand from Engines. Saw Mills, and all bonds of Matwenty to forty Piano Portes at prices ranging obinery, repaired at about notice, and all from \$275 to \$700, and I bey no instruments work warranded. night and this morning, at the report of a but such as are manufactured expressly for exterminate us, that the people of Mississippi are a unit against the old Union and are described a unit against the old Union and are described by 10,699; more hogs than New But of this there appears, at the moment of writing and the second of them, taking addied a second of them, taking addied to be a second of them. The means buys Pianos from me I will warrant the ina unit against the old Union, and are determined to sustain, and yield a hearty and certiful suspect. York by 47,251, more than Pennsylvania by ting, to be few fears. According to the recent or vantage of foggy nights, have escaped up and of decention were complete—heing on hoard. 35,137, and 86,000 more than all the New der, all the sick and nanecessary baggage have down; but none of them have passed in daya schooner which has long been employed in buys from me before they are cooler any oblithe Milton trade, and against whom no sus- gation to me. I buy my Piana Portes for cash and can sail them as low as they can be bought that the people are unanimously in favor of them; What a splendid showing for the often-slan- arrived from Richmond and Lynchbarg, are also rived at Norfolk, captured at Chickamacomied the names of the individuals, and if I had manufactories of Leight, Newton & Bradburg they would be worth hardly the space occu- of New York, Shrinwa & Sons, N. Y. A. H. -if, indeed, they are deceived—is a positive demonstrution in favor of our public leaders.

The remainder of the statistics compiled while the army itself is constantly in motion, and by the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equally each day assuming new and more threatening poby the correspondent of the Sun are equa stration in favor of our noble leaders.

Let every man, then, go to the polls on Wednesday, the 6th day of November, and vote for the first President and Vice President of the Confeders first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President and Vice President of the Confeders for the first President of the Confeders for the Confeders for the first President of the Confeders for the C ate States Jerrenson Davis, of Mississippi, and State of New York, or a quantity equal to the water courses, and in some cases carried away and William Preston will write to me and describe what kind of the water courses, and in some cases carried away and William Preston will write to me and describe what kind of the water courses, and in some cases carried away and William Preston will write to me and describe what kind of the water courses, and in some cases carried away.
